PRAYER DIARY

This week please thank God in your prayers for Tearfund's Harvest project.

Please thank him for a programme in Malawi called Foundations for Farming run by local churches and supported by Tearfund. It teaches sustainable farming techniques which can lead to a 50 per cent or higher increase in harvests, essential after three years of drought.

Please pray for the success of the programme and the willingness of Christians to provide the money needed to enable it to run.

If you would like the church to include any particular organisation in the weekly prayer list please do let the Church Office know.

TOILET TWINNING: *Please continue to support this project. The total raised to date is in excess of £2,100.*
