PRAYER DIARY

This week please thank God in your prayers for the work of Wycliffe Bible Translators as they continue in their aim of providing at least some parts of the Bible for the estimated 114 million people without access to any Scripture in their heart language and the at least 1.5 billion people who are without the full Bible in their first language.

Please thank God that in July 2017, after nearly 13 years work, the Lugwere New Testament was launched in Uganda. People came in their thousands to celebrate the launch and now they long for the Old Testament too. They say "God speaks our language".

If you would like the church to include any particular organisation in the weekly prayer list please do let the Church Office know. Jenny England.
