Notice to the Congregation
and other Users of Broom Church Buildings

In the interest of safety to all Users of Broom Church buildings the Kirk Session has agreed to implement a one way system to the car parks which will be introduced in mid July.

The entrance/exit on Broom Road East is wide enough to form an in/out driveway and drivers arriving will be directed to the left indicated by standard public road signs and arrows through the left hand Car Park No 1 in front of the church.

Those preferring Car Park 2, in front of the Columba Hall, will drive through Car Park 1, crossover the main drive way to access Car Park 2. Normal road traffic regulations will apply with traffic exiting Car Park 2 giving way to traffic from the right before exiting by the main driveway.

This will make the car park safer and has the benefit that parking will be easier and faster for everyone. The exception to this guidance is that funerals, weddings, emergency services, church staff and refuse lorries are permitted to drive up the main carriageway.

At this stage physical measures such as road humps are not proposed. However, to ensure that the system works smoothly everyone should obey signs, drive slowly and responsibly.

Issued with the agreement of the Kirk Session - July 2018

The work will be carried out on Tuesday and Wednesday this week, weather permitting.

PRAYER DIARY

This week please thank God in your prayers for the work of the Lodging House Mission whose aim is to give people the opportunity to get their lives back on track

Please thank Him that by providing a safe place with access to educational opportunities, recreational activities, food, essential facilities including showers, telephone, laundry and internet, support staff and counsellors and chaplaincy they can enable their service users to develop new skills and feelings of self-worth.

Please pray that God will help us to do our part by donating, volunteering or giving their contact cards to homeless people we pass on the streets.

If you would like the church to include any particular organisation in the weekly prayer list please do let the Church Office know.
