PRAYER DIARY

At the start of this Christian Aid week please pray for Christian Aid and for all those who work hard to raise money to help those in need through this organisation.

Please thank God that for over 70 years they have been fighting against the poverty which sadly still exists in the world and robs people of their dignity and allows injustice to thrive.

Please thank God that we are all equal in His sight and help us to be motivated to help to transform the lives of the poorest of our neighbours and stand up for their dignity, equality and justice.

If you would like the church to include any particular organisation in the weekly prayer list please do let the Church Office know. Jenny England.

Against Apathy

Martin Luther King, Jr.

Time itself is neutral; it can be used either destructively or constructively. More and more I feel that the people of ill will have used time much more effectively than have the people of good will. We will have to repent in this generation not merely for the hateful words and actions of the bad people, but for the appalling silence of the good people. Human progress never rolls in on wheels of inevitability; it comes through the tireless efforts of men willing to be co-workers with God, and without this hard work, time itself becomes an ally of the forces of stagnation.
