PRAYER DIARY

In your prayers this week please thank God the work of Emmaus Glasgow and for the opportunities of accommodation and work they can offer to homeless people.

Please thank Him that for every £1 invested in in an established Emmaus community, £11 is shown to be generated in social, environmental and economic returns.

Please thank Him also for their ability to keep people out of hospital, to save them from using hostels and drug and alcohol services, to help them to be safe, well, working and out of prison and also for their contribution to recycling through their shops and the consequent reduction in landfill due to their work.

If you would like the church to include any particular organisation in the weekly prayer list please do let the Church Office know. Jenny England.

MISSION AND OUTREACH - MARY'S MEALS BACKPACK COLLECTION: *This summer the Mission and Outreach Committee invite you to support the Mary's Meals Backpack Collection. Many of the children in Malawi who are fed by the Mary's Meals project come to school without the basic tools for learning. Giving them a backpack, filled with essential items helps them to get the most out of their education. For many of these children this backpack will be the first gift they have ever received. You can donate a filled rucksack, an empty rucksack or any of the individual items on the list below. Only the toiletries have to be new - everything else can be a recycled item in good condition. Please leave your donations in the box in the vestibule over the summer months.*

- *Rucksack or School bag (please don't use a drawstring sports bag)*
- *Notepad*
- *Pencils, crayons*
- *Eraser, ruler, sharpener, pencil case*
- *Towel*
- *Shorts or skirt, T-shirt or dress (for school aged child)*
- *Flipflops or sandals*
- *Soap, toothbrush, toothpaste (must be new)*
- *Small ball*
- *Spoon*

Please do not include any liquids (including liquid soap), sweets, extra gifts or money. All the backpacks are checked to ensure they only contain those items on the list. This avoids problems at Customs and ensures fairness when they are distributed.

For further information, please call Alison Marshall.

DEFIBRILLATOR: *A defibrillator is located in the Columba Hall at the kitchen hatch.*
